About the Indiana Housing and Community Development Authority.

Mission Statement

IHCDA’s mission is for every Hoosier to have the opportunity to live in safe, affordable, good-quality housing in economically stable communities. IHCDA believes that growing Indiana’s economy starts at home.

Overview

IHCDA was created in 1978 by the Indiana General Assembly and is a quasi-public financially self-sufficient statewide government agency. IHCDA's programs are successful in large part because of the growing network of partnerships we have established with local, state, and federal governments, for-profit businesses and not-for-profit organizations. For-profit partners include investment banks, mortgage lenders, commercial banks, corporate investment managers and syndicators, apartment developers, investors, homebuilders, and realtors. Not-for-profit partners include community development corporations, community action agencies, and not-for-profit developers. For more information, please visit: <http://www.in.gov/ihcda/>.

Summary of Indiana Foreclosure Prevention Network and Hardest Hit Fund

In 2007, Indiana began addressing the problem of foreclosure with the launch of a major statewide initiative to assist Hoosiers in danger of losing their homes. The IFPN was developed by a coalition of community organizations, housing-related agencies, government agencies, lenders and banks.

Through this partnership of the public, private and nonprofit sectors, a toll-free helpline, 1-877-GET-HOPE was established (the “Helpline”). The Helpline is available seven (7) days a week, from 8 a.m. to 8 p.m. For anyone who may be at risk of foreclosure, the Helpline provides free and confidential financial consulting with no obligation or commitment. Helpline operators then refer the homeowner to a certified foreclosure intervention specialist. For more information, please visit: www.877gethope.org.

The U.S. Department of the Treasury established the Housing Finance Agency Innovation Fund for the Hardest-Hit Markets in early 2010 to provide financial assistance to families in the states most impacted by the downturn of the housing market. Subsequently on August 11, the U.S. Department of Treasury (“Treasury”) announced that Indiana received approximately

\$83 million to help unemployed homeowners pay their mortgage. IHCD will administer the program and use the funding to help families who have fallen behind on their mortgage loans due to the loss of employment. Homeowners experiencing a financial hardship due to unemployment may begin submitting applications online or over the phone in early 2011. On September 29, Treasury announced that it would be awarding Indiana an additional \$139 million (approximately) to provide additional homeowner assistance.

IHCD has worked with Lieutenant Governor Becky Skillman, the Indiana Department of Workforce Development and the Indiana Foreclosure Prevention Network partners to develop a comprehensive, statewide strategy. The plan aims to assist approximately 15,786 homeowners who are experiencing financial hardship and are at-risk of mortgage loan default or foreclosure. UBP program options will assist homeowners with financial hardships who have been unable to qualify for existing loan modification and foreclosure prevention programs.

For more information on the UBP program, please visit www.877gethope.org.

Scope of Work

Overview of Services and Responsibilities.

The primary duties of the Housing Counseling Agency are to provide trained, knowledgeable counselors having technical expertise in the areas of consumer credit and budget counseling, debt management and foreclosure mitigation counseling to work with IFPN clients who wish to apply to the UBP.

Specific Services and Responsibilities.

Housing Counseling Agency's services to be delivered under the contract awarded under this RFP shall include:

- Identifying borrowers who are facing foreclosure as a result of a hardship(s) encountered since purchasing the home;
- Preparing a detailed budget, action plan, gathering documents for eligibility purposes and making recommendations on if the UBP would best benefit the homeowner. Note: Borrower must first be screened for eligibility under HAMP before he/she may be considered for UBP.
- Working directly with the borrower and lender to review the qualifications under UBP so as to customize a solution for each applicant;
- Maintaining electronic records (through IHCDCA-designated web based software system) on eligible borrowers;
- Electronically imaging all eligible borrower documentation for transmittal to IHCDCA for review and final determination of eligibility. Note: Prior to submission of an UBP application to IHCDCA, a one-hour face-to-face meeting or meeting through video conferencing must take place;
- Closing the loan with all approved borrowers and recording of loan with the appropriate county recorder; and
- Remaining the borrower's primary point of contact and providing follow-up monitoring for a period of twelve months after the assistance period.

It is projected that approximately 10,000 – 15,000 homeowners will participate in UBP over three years; however, IHCDCA makes no assurance that these projections will be realized.

Proposed Payment Schedule.

UBP allows for payment(s) to contracted Housing Counseling Agencies per approved case. Payment will be as follows:

- \$50 per case for each borrower who receives intake/triage for UBP assistance. Note: The web-based software provided by IHCDCA will do an initial screen on all clients requesting foreclosure prevention assistance to see if the client is conditionally eligible for UBP assistance;
- \$400 per case for each borrower who meets UBP eligibility and is fully counseled and screened for HAMP; and
- \$300 per case for each borrower who is approved for and receives UBP assistance.

Sources of Funds.

A contracted Housing Counseling Agency under UBP shall not bill more than one federal source of funds per household served. The client may be billed under UBP, the National Foreclosure Mitigation Counseling grant ("NFMCC") or the U.S. Department of Housing and Urban Development housing

counseling grant (“HUD”). Exceptions will be allowed for households served and billed prior to the UBP launch date under either NFMC or HUD that qualify for UBP assistance.

Housing Counseling Guidelines

The contracts will set forth the housing counseling guidelines for UBP. Respondents should expect that IHCD A will look to utilize guidelines and best practices developed under the IFPN when providing counseling services to UBP clients.
